# The Home Helper Guide™

## FROM THE PUBLISHER

We hope that The Home Helper Guide™ will be a useful tool in identifying local companies that can be of service in your effort to improve and maintain your home. Please keep it handy to save time when you need help around the house!

The Home Helper Guide™ is not in a position to take responsibility for the quality of the service provided by any of the listed firms. You should take normal precautions such as checking references, verifying that required licenses and insurance are in force, and identifying any city permits needed.

Any references to prices or discounts are included at the advertiser's request and are valid only through March of 2020, or through the expiration date that is published within the advertisement. The advertisers are responsible for honoring their advertised offers.
